Financial Policy

1. Insurance is a contract between you and your insurance company. We will bill your primary insurance as a courtesy. To do this, you must disclose all insurance information, including primary and secondary insurance, and keep our office updated on any and all changes in your insurance coverage. Failure to provide accurate and updated information may result in you being financially responsible for the entire bill.
2. Although we may estimate what your insurance company will pay for treatment, **it is your insurance company that makes the final decision regarding your benefits and eligibility**. Therefore, you are financially responsible for all bills not paid by your insurance. You may be asked to sign a ABN (Advance Beneficiary Notice) to insure payment to us.
3. Certain insurance plans require that you obtain a referral and/or prior authorization from your Primary Care Physician before seeing a specialist such as a Podiatrist. **It is your responsibility to obtain these documents**, if required by your insurance plan, and provide them to our office before your scheduled appointment. If these are required and not received before your appointment, you will be considered "self-pay" with full payment due at the time of service.
4. Fee for services, which include unpaid balances, deductibles, co-pays, co-insurance, and non-covered fees are due at the time of service. Appointments will not be made for those with outstanding balances. Failure to pay unpaid balances in a timely manner will result in a referral to a collection agency.
5. There will be a charge of \$35 for returned checks. This fee may be paid by cash or money order. If unpaid, this fee will be added to your account and may result in your account being placed on a cash basis only. Unpaid check fees and balances are subject to collection placement.
6. Completion of forms, copies of medical records, x-rays, reports, handicap permits and FMLA are not billable through your insurance company. The fee schedule for the above is available at the front desk.
7. There will be a \$50 fee for late or missed appointments. This must be paid before the patient is rescheduled. A late fee may be applied if a patient arrives more than 15 minutes later for their scheduled appointment. It may also result in the appointment being rescheduled for a later date.
8. I have been given the opportunity to read my HIPAA Privacy Policy and understand what will be provided to me at my request.

I understand the above information and agree to be financially responsible for the patient below:

Disclaimer: Physician "Referrals" VS. Insurance "Authorizations"

Primary Care Physicians often refer their patients to "Specialists" for further treatment. This referral does not guarantee the insurance company will pay for that treatment. Some insurance plans also require a referral or a prior authorization to ensure visits to a "Specialist" will be covered by the patient's insurance plan.

The referral coordinator in our PCP's office can tell you if your plan requires this authorization and can assist you in obtaining it. You can also call the member number on the back of your insurance card for clarification. If required, Foot and Ankle Specialists of Northeast Georgia, LLC must have authorization prior to your appointment, or you will be considered "self-pay"

Patients with Medicare as their primary insurance do not have to obtain authorization to medically necessary treatment. Medicare Advantage Plans may differ, so it is advised to call the member number on the back of your card prior to your appointment.

I understand it is my responsibility to determine if I need a referral and/or insurance authorization. I also agree to pay Foot and Ankle Specialists of Northeast Georgia, LLC for any fees not covered or denied by my insurance company.
